WARNING TO PARENTS

The Crusader is a town newspaper to keep the people informed; we would like to inform you now in regard to sandpit #1 off Woburn St.

It has been called to our attention that children have been swimming and playing in this area. This could be very hazardous, and might some day prove to bring danger for the young folks.

Fred Smith has warned the children not to swim in that area; he has erected signs stating the same, and a man is employed to see that this wish is followed out.

However, the children have destroyed the signs, ignored all warnings, and still play and swim there.

It is our wish and Mr. Smith's that parents instruct their children to stay away from this area before any serious accident occurs. We would like to see all of our children in the classrooms again this September without any mishaps.

FIRST BAPTIST CHURCH NEWS

This Sunday morning at the First Baptist Church, Pastor Eliot Castillo will bring a Communion Meditation entitled, "The Lord's Supper as a Means of Grace," following which he will extend the Right Hand of Fellowship to new members and then conduct a Communion Service. During the summer, the morning services begin at 9:30 a.m. and also at that hour a Church School Class for children of grades one to three is conducted as well as a nursery.

At the 7:30 p.m. service, the Pastor will preach on "God's will for Every Home."

The Annual All-Church Picnic will be held at Wyman's Beach, Westford, Mass., on Saturday, July 19. Mr. and Mrs. Dick Tucker of Wilson Rd., Tewksbury are the co-directors for what promises to

be a grand day of fun and inspiration. All those planning to attend must contact the Tuckers by July 5 or call the Parsonage OL 8-8763.

Last Monday evening, the Church sent a sizable Gospel Team into the Union Rescue Mission at One Dover St., Boston to conduct a service of singing, testimonies and preaching. The team was under the leadership of Mr. Roger Nichols, church treasurer and choir director who brought the message, "Ask and Ye Shall Receive." The church choir was in attendance and sang an anthem, "Let the People Praise Thee."

Members of the Choir included Mrs. Lois Igo, Mrs. Mildred Gunn, Mrs. Doris Woodman, Mrs. Sylvia Tucker, Mrs. Harriet Nichols, Mrs. June Castillo, Mrs. Dotta Fantasia, and Miss Lauren Smith.

The Pastor led the song service and introduced those giving testimonies among whom were Cathy Bousfield, Dave Tawney, Mrs. Lois Jugs, Jack Moore, Geoffrey Nichols and Mrs. Norma Allen.

Mrs. Mildred Gunn sang a solo, "I'd Rather Have Jesus," Jack Moore led in prayer and the scripture was read by Dick Tucker. Mrs. Ethel Perry was the pianist and accompanist for the services. Other members of the team included Mr. and Mrs. Judd Arbo, Mrs. Basil Weatherbee, Nancy Nichols, and Mrs. Helen Moore.

Following the service, members of the team chatted informally with some of the men and there were several opportunities for

Christian counseling by members. This was the third such trip into the Union Rescue Mission and a fourth is scheduled for the last Saturday in July.

"This is no gamble, Bart," says James Garner, as he shows Jack Kelly a handful of United States Savings Bonds. Bart and Bart Maverick, of Warner Bros. "Maverick" series on the ABC-TV network, are slick with a deck of cards, but in real life they don't gamble with their savings.

'Sockets Where You Need Them' With Continuous Outlet Systems

Electrical outlets are plentiful and convenient when strip systems such as above, are used. Assemblies like this replace conventional baseboards, blend with decorating scheme, provide outlets at frequent, regular intervals, and can be used on any type of wall.

With the increasing awareness of the need for adequate wiring has come the realization that electrical outlets, like the faucets of your plumbing, are the only way of tapping the electrical power available to you.

Through multi-outlet systems, proven in more than a quarter-century of use, electrical outlets can be placed so that they will always be conveniently available. In general, multi-outlet systems are a surface metal raceway with electrical outlets located at pre-determined intervals,

from six inches to five feet, along a continuous strip.

The cost for the entire multi-outlet system may be slightly higher than for standard systems, but the added convenience and flexibility more than overcome initial price. On an outlet-for-outlet basis, the multi-outlet assembly is usually less costly.

The multi-outlet system illustrated here is Plugmold based, produced by The Wiremold Company, Hartford, Conn. Multi-outlet systems are available through your electrical contractor.

BLOOD DONOR AWARDS

Watertown Arsenal - Gallon Club Pins were awarded at a ceremony on June 27, to 36 Watertown Arsenal employees who donated a gallon or more of blood to the Watertown Arsenal Red Cross program. Colonel Richard M. Hurst, Commanding Officer of

Watertown Arsenal will make the presentation.

Approximately 4908 pints of blood have been donated by Arsenal employees since the origin of the blood bank in 1951.

Top donor is Wilbur C. DeVries, 23 White Pine Drive, Littleton, who has donated 6 gallons (48 pints) of blood.

Other donors and amounts donated are: Thomas J. Dromgoole, 32 High Street, North Wilmington, 1 Gal. Bernard Blauvelt, Lynden Road, North Billerica, 1 Gal.

Nickel Supplies At New High

Free world supplies of nickel in 1957 are estimated at 450,000,000 pounds, a new high record. This compares with the previous high of 450,000,000 pounds in 1956 and 425,000,000 pounds in 1955.

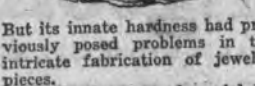

Nickel Cast Irons Polish Granite

It takes more than elbow grease to polish granite. In fact, a special cast iron containing nickel is used for the wheels which cut and polish this rock, one of the hardest in nature.

Jewelry Trend

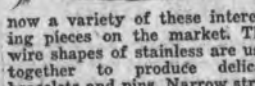

Stainless steel, long famed for its durability and beauty in such applications as household equipment, architecture and automobiles, is now emerging as an important new material in the costume jewelry field.

Stainless had long been recognized as a potential jewelry metal because of its lovely and lustrous appearance as well as its unique long-wearing qualities.

But its innate hardness had previously posed problems in the intricate fabrication of jewelry pieces.

The development of special designs and techniques in recent years has solved this problem, with the result that there are

now a variety of these interesting pieces on the market. Thin wire shapes of stainless are used together to produce delicate bracelets and pins. Narrow strips of the metal are formed into everything from earrings and bracelets for women to handsome cufflinks and tie clips for men.

One custom-jeweler, Norman LeBeau of New York, hand crafts various pieces from standard textured stainless steel strip.

THE LION'S ROAR

Hello once again. It seems that I missed on the column for awhile, but I really couldn't help it. I would like at this time to thank all those of you who were thoughtful enough to call and wish me well.

This week past sees us at the close of another year, and by the way it marks four years since we were sponsored by the Woburn Club. Last Saturday night was the scene of a combination Birthday Party and installation of officers which was held at the VFW Hall in Laugus with a catered dinner in honor of the event. The new King Lion for the coming year is John Murphy, his new first vice Pres., will be Dave Landers and his new Secretary Art Boudreau. Others taking office were, to name a few of them, Jim Doherty, Joe App, Ed Nagle, Jim McLaughlin, Frank Griffin, Tony DeLuca, Tony Donuts and Alfred DeCampo. Newly Elected District Governor Carl Roosevelt of the Woburn club was the installing officer for the evening. Governor Carl administered the necessary obligations and then went on to remark on the progress on this club. He also congratulated Past King George for the wonderful year that he has just completed. The new officers were then presented their pins of office and all the Ladies were presented with a gift from the Club.

Congratulations to the new slate of officers and the best of luck to them in their endeavors this coming year, we're all with you all the way as in the past.

Congratulations also to the committee who worked so hard on this affair. They really did a fine job of it. The club colors were in evidence even to the floral pieces on the head table, which were composed of white, purple and gold flowers. Congratulations in the form of an ovation were bestowed on Past King George by the members. The speeches for the evening were kept at a minimum so as to enable those in attendance to enjoy dancing to the music of Jack Hennessy and his band. Some of those familiar faces that were missed were F. Hagerty, Ben Reducio, Harry Brock, Bob McCabe, Roy Heron and Jim McCus.

Orchids and Congratulations to the new Mr. and Mrs. Cosmans, our own Club newly-weds. A handsome couple if ever there was one. Best Luck Dan and Sal from all

of us.
Wonder if television made a mistake when they discovered Steve Lawrence and Eydie should it have been Bob and Florence??
If Renee ever runs out of vim, pep and vigor or dance steps??
If Simply Furious will try to get even with J. M. for sticking him with the check on the way home at the Agawam Diner??
If that president from the other service club enjoyed his evening with "the" Club??
Just a reminder to all members that our next meeting will be on July 9.
I guess that is all for this week, so until next time I visit with you, remember, spread kills, slow down and live. Lions clubs all over are supporting this slogan and we invite you to join us in a year-round safety campaign.
Still the Small Cub,
Fred Kleynen

CAR GOES OUT OF CONTROL
On June 26, at 1 am a car operated by William B. Whalen, Jr., 227 Burlington Ave., went out of control in the vicinity of Stevens Market on Main St., and struck a pole.
Mr. Whalen, who claims to have fallen asleep, escaped the incident without apparent injury. The vehicle was towed from the scene.
Sgt. Sidelink and Officer Dolan investigated the accident.

The U. S. Coast Guard was formed for the purpose of suppressing smuggling, an early Colonial activity to evade British taxation. Many patriots continued the practice after the Revolution, endangering the Nation's future.

Shrinks Hemorrhoids Without Surgery

Science finds healing substance that relieves pain—Shrinks Hemorrhoids. For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation H. At all drug counters—money back guarantee. *®

Imagine Being Happy During CHANGE-OF-LIFE!

Thousands of women now go "smiling through" those trying years—without awful suffering from "hot flashes," tension! Science has exploded old myths about change-of-life! Countless women have found "old" before your time. Today, many can enjoy change-of-life—without that terrible suffering! Lydia Pinkham's remarkable Tablets have been developed especially to relieve those functionally-caused "female miseries." Their unique combination of medicines even includes blood-strengthening iron! That's why,

Time-ly New Car

EVER STOP TO THINK about the vitally important accessories that go into today's automobiles? Take clocks, for instance. Timepieces for such ultra-modern cars as the stylish new Edsel represent thousands of hours of research and testing. One of the problems which must be solved is temperature: the range to which a car clock is exposed annually can extend from 140 degrees above zero to as low as 20 below, which can strain the clock's lubrication and carefully calibrated mechanisms. The Westclox auto clock above embodies some of the latest technical improvements designed to conquer such problems. Clock was tested for months by Westclox at its big La Salle, Illinois, plant before its maiden voyage in a test-version Edsel; thereafter, research to prove its merits mounted in the car covered another extensive period.

PLAIDS BY DAY AND NIGHT—Designer Greta Platty demonstrates the versatility of plaid in party and play fashions. These outfits are of Avondale Perma-Pressed cotton. Left, a date dress with a harem skirt and tiny covering jacket. Right, lounge coveralls with a classic shirt top and tapered bowed pants.

INGROWN NAIL HURTING YOU?
Immediate Relief!
A few drops of OUTGROW bring blessed relief from tormenting pain of ingrown nail. OUTGROW loosens the skin underneath the nail, allows the nail to be cut and thus prevents further pain and discomfort. OUTGROW is available at all drug counters.

Helps Heal And Clear Itchy Skin Rash!

Zemo—liquid or ointment—a doctor's antiseptic, promptly relieves itching, stops scratching and so helps heal and clear surface skin rashes. Buy Extra Strength Zemo for stubborn cases!

ACHING MUSCLES

Relieve pains of Tired, Sore, Aching Muscles with STANBACK Tablets or Powders. STANBACK's prescription-type formula combines several medically proven ingredients for faster relief of pain. CAPT. HENRY LATTA COMPLETES ACTIVE DUTY

Fort Dix, N. J. (AHTNC) - Army Reserve Capt. Henry C. Latta, whose wife, Anastasia, lives at 86 Morse Ave., Wilmington, completed two weeks of annual active duty training June 22 at Fort Dix, N.J.

Captain Latta, son of Mrs. Sarah Latta, 5 Wellington Ave., Somerville, is a member of the 9201st Army Reserve Training Service Unit's Detachment 5 in Boston. The 40-year-old reservist is employed as a mail carrier by the U. S. Post Office Department. He was graduated from Somerville High School in 1936 and attended Bentley School of Accounting and Finance.

The U. S. Coast Guard has participated in every war fought by the United States since 1790.

In June 1784 Joshua Humphreys, noted construction expert, was appointed America's first naval constructor with an annual salary of \$2,000.

The original Minot's Ledge Light-house at Cohasset, Mass., was toppled into the sea during a great storm in April, 1851, carrying to death the two keepers.

Twin lavatories add extra convenience... especially when they're **AMERICAN-Standard**

Start of this beautiful bathroom—featuring American-Standard plumbing fixtures—are the beautiful Companion lavatories. Made of easy-to-clean, non-chipping, genuine vitreous china, these lovely lavatories will give you many years of double convenience, double beauty.

Fitting partners for the Companion lavatories are:

THE MASTER PEMBROKE BATHTUB and THE COMPACT TOILET

The Master Pembroke is a big, roomy tub—5½ feet long. It is made of rigid cast iron and finished with a beautiful satin-smooth enamel that will retain its beauty through long use.

The smart Compact toilet is made of stain-resistant, genuine vitreous china and features a quiet, thorough flushing action.

All American-Standard plumbing fixtures are available in exciting decorator colors in addition to sparkling white. Top off your bathroom with colorful Monogram fittings... they can be engraved with your own initials and come with firm-grip, translucent handles in clear or five colors.

St. Thomas Wins Three More— Leads Lawrence CYO League

Excellent pitching and timely hitting enabled St. Thomas CYO to squeeze by St. Michael's of No. Andover Tuesday night at the High School field, 2-0. Rick Proton hurled a two-hitter. Fred McAndrew's second hit, a triple, scored Ernie Moegelin in the 4th. Phil Kavanaugh drove in Ed Palino in the fifth to account for the second run.

Wednesday night at Burlington, Joe Petera chipped in with a two-hitter to down St. Margaret's 5-2. Al McDonald's home run and McAndrew's double accounted for three of the five runs, as the winners collected only five hits. Two fielding gems by Palino and Kavanaugh and a fine throw by McAndrews quelled the home team's threats.

Friday night in Lawrence against St. Monica's, it was a case of too much pitching again. The younger St. Monica team couldn't solve Proton's fast ball, as he gave up only one single while walking one. Fred McAndrews and Art Dromgoole knocked in single runs and Al McDonald broke the game open in the seventh with a two run triple. The final score was 5-0.

The Tenthredin-coached locals are scheduled against St. Patrick's at Lawrence on Thursday. St. Thomas lineup:

Palino, 3b; Kavanaugh, cf; Boudreau, 1b; Bevilacqua, 2b; MacDonald, ss; McAndrews, cf; Moegelin, c; Dromgoole, Ahern, rf; Proton, Peters, p.

JR. CHAMBER OF COMMERCE TO MEET JULY 8

The next meeting of the Wilmington Junior Chamber of Commerce will be held Tuesday, July 8, at 8 p.m. at the Roman House next to the High School.

Charter membership list still open. Charter membership banquet Saturday, Aug. 23, American Legion Hall. Watch for further details.

GYMKHANA AT CLARKS FARM SUNDAY

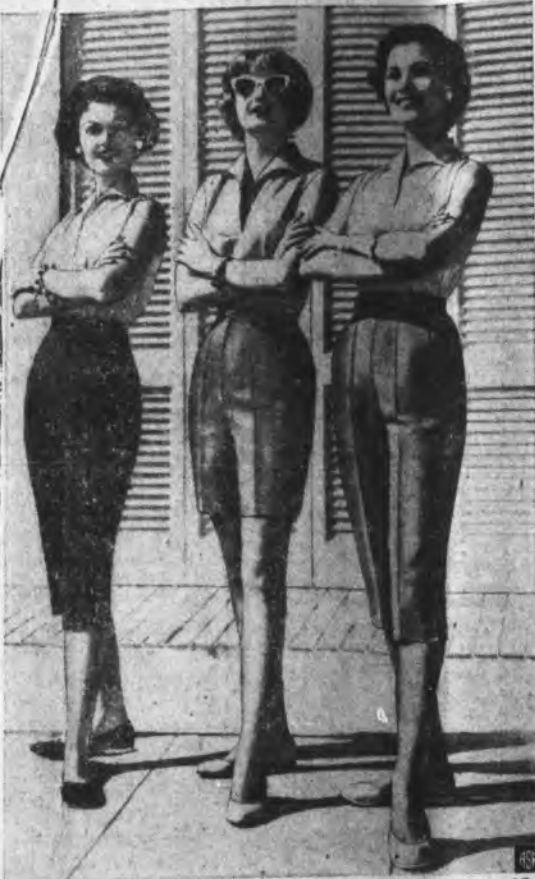

Clark's Farm on Andover St., will be the scene of a Gymkhana sponsored by the Vigilante's, one of Wilmington's 4-H horse clubs, next Sunday, July 6, at 12:30.

Fee in all classes will be 50c. Four ribbons will be awarded in each class, also at most points trophy.

Pony rides will be available for the children and refreshments will be on sale.

HOW DO YOU LOOK IN PANTS? American women are noted for their pretty figures but pants are likely to put even the prettiest figure to the test. One may yearn to resemble the much-photographed beauties of Hollywood who look so glamorous in their shorts and pedal-pushers but it's well to remember that, usually, they have these garments made to order. For fit and proper proportion are the basic ingredients of the sleek, well-groomed appearance when wearing pants. Happily this custom-made look is available this year in readymades. Whether you are short, average, or tall, there are good-looking, well-tailored, proportioned to your figure, shorts and pedal-pushers ready for your Summer chores and pastimes. In sturdy cotton poplins and twills they are easily washable. Carefully scaled and engineered to fit your size and height, you can move freely and always look neat.

ST. DOROTHY'S ANNOUNCEMENTS

Friday of this week is the first Friday of the month. Because it is a holiday, the schedule of Masses will be slightly different than usual. They will be at 7 and 8 am instead of 6 and 7.

Confessions will be heard the previous Thursday evening at 7:30 at St. Mary's.

The priests of the parish are grateful to the blitz committee for the proceeds of last Tuesday's party. Another party in this series will be held this coming Tuesday evening.

They are also grateful to the CYO for the proceeds of last Friday's whist. This coming Friday evening, Mrs. Adeline Riley and Mrs. Richard Lee and their committee will conduct the whist party at St. Dorothy's Hall.

Gratitude is extended also to Mrs. John Elliot and her committee for the proceeds of last week's dance.

MORE SLEEVE MEANS MORE FASHION this season, and these voluminous sleeves, soft, pretty, and so feminine, are a definite hallmark of Spring-Summer 1958. After the bare arms of the recent past (not always so flattering) the dress or blouse with a recognizable sleeve, covering all or part of the arm, has a REFRESHING NEWNESS, a certain appeal. But as ARMS adopt a COVER-UP PROGRAM, NECKLINES do the REVERSE. You'll see them PLUNGING in front, or back, or almost disappearing in the wide, open, and bare spaces of a real low "scoop." Big sleeves, plunging neckline, plus a charming Sea-COLOR print mark the pretty NYLON SHEER dress in our picture.

On Saturday morning at 10, Mrs. Frank Mulholland will conduct a cake sale on the premises of her home, 225 Shawneen Ave. Donations of cakes and pies will be gladly received.

Student altar boys will come for instructions on Monday evening at 7 at St. Mary's.

The Novena in honor of Our Lady of the Miraculous Medal will be held on Monday evening at 7:45.

The 327-foot Coast Guard Cutter are called the "Secretary Class". They are named for past Secretaries of the Treasury.

DAD HEADS THE FAMILY

By Pat and Patty Crowley, Secretary Couple of the Christian Family Movement

In 1910, Mrs. John Dodd of Spokane, Washington, started the celebration of Father's Day. What she did and why she did it are unknown to us. It was appropriate, however, that a wife should inaugurate the day to honor husbands. We suspect that the father will be restored to his proper place in the family only through the mutual efforts of his spouse.

The Crowleys

IN THE CHRISTIAN tradition, the proper role of the father is set forth by Saint Paul as similar to that of Christ with His Church. Thus he taught that wives should be subject to their husbands in all things in harmony with right reason.

Unfortunately, the father's role as head of the house is not too well established in American society. Some explain that the economic system takes the father out of the home too much of the time; others even blame woman suffrage and assorted other causes; but most people agree, at least in theory, that it should be changed so that Pop will be the head man.

THE FATHER should be the moral, spiritual, intellectual head of the house. If he is acting in this capacity, he is only acting in accordance with his nature, with

his talents. For he has the God-given role of providing and protecting. These are duties unsuited for the wife, especially as the mother of children.

The husband stands in the place of God, Whom we know to be a loving Father. With an authority derived from God, he leads his family, keeping in mind their dignity. Wives are always glad to have this type of leadership, not a dictatorial leadership, but a leadership, through love, affection and service.

FREQUENTLY DAD, because of his numerous heavy responsibilities, doesn't always measure up to his role as head of the household. In these difficult times, the wife can do much to restore harmony to the home. St. Augustine, for example, tells in his Confessions how his mother, Monica, put up with her hot-tempered, difficult husband, his father. Instead of gossiping, as many other women did, about the way her husband behaved, she remained quiet and remembered the words of the matrimonial contract by which she promised to serve. Monica won her husband over through love and kindness, highlighting the fact that a wife who merely lets her husband "think he is the head" really has a false understanding of the nature of marriage.

If the father attains his position as the real head of the house, he and the wife can proceed united in seeking the great blessings and happiness of married life. The children will realize that they are to follow him, developing themselves intellectually, culturally and morally, in the religious virtues—after the example of him who is meant to be a symbol of their heavenly Father.
